NOTICE OF THE PASSING ON OF MR JOE ODHIAMBO – ASA CEO

It is with great sorrow to announce that Mr Joe Otieno Odhiambo, CEO, Agrèment South Africa (ASA) passed on Thursday, 15 July 2021.

Mr Odhiambo was appointed on 01 June 2003 as the Operations Manager of ASA by the Council of Scientific and Industrial Research and was later appointed to the position of CEO when ASA became a legislated state entity. His career spans over a quality 40 years in the construction industry and has contributed to sound and effective leadership in strategic planning and effective management in the industry.

Mr Odhiambo acquired vast experience in the field of innovative, non-standardised construction products, systems, materials, components and processes which are not covered by a national standard or code of practice, and has overseen the certification of several building and construction products. His expertise supported the construction industry by facilitating the safe introduction, application and utilisation of satisfactory innovation and technology development by providing assurance of fitness for purpose of such technologies.

Joe was an active member of the South African Council for Project and Construction Management Professions (SACPCMP), a teacher and an advisor of the construction industry.

While we acknowledge Joe's great contribution to the construction industry, particularly, innovation construction and we wish his family, colleagues, family of the Department of Public Works and Infrastructure and friends' comfort during these tough times. May he rest in peace and God bless his soul.

Your sincerely
