3. 2023/645 (Amended September 2024): AFRICA TANKS

Company Name:

Africa Tanks (Pty) Ltd

Address:

Zonderwater, Cullinan, PRETORIA, 1000

Telephone:

012 942 9660

Email:

management@africatank.co.za

Approved Extract

The certificate covers the use of Africa Tanks for rainwater harvesting and other manufacturer's approved liquids. The tanks are available in vertical profiles and are used in all regions of South Africa for all types of occupancy classifications (**SANS 10400:2022 Table 1 of Regulation A (20) (1)**).

All liquid storage tanks are as per Safripol or Chevron Phillips Chemicals Technical data sheet requirements. Africa Tanks were not assessed for underground installations.

This certificate and Agrément South Africa's assessment applies only to Africa Tanks that are manufactured by Africa Tanks (Pty) Ltd. The tanks must be installed in accordance with the certificate holder's installation brochure and as described in this certificate, and where the terms and conditions of certification are complied with.
