

NOTICE OF PRICE CHANGE

To all clients and prospective clients,

In terms of the Agrément South Africa Act, Section 5 (3)(e) states that Agrément South Africa may determine, charge and collect fees for any services rendered, products and documents produced.

ASA has reviewed its pricing model to achieve minimum cost recovery. The price review was done considering the current operations, recovery rates of fees and financial constrains faced by both ASA and our clientel.

As a result of this, ASA confirms that there will be a change in the prices charged for the services rendered.

The price changes will become effective from 01 April 2025 and be reviewed annually. Refer to the published price list for the new rates.

Should you need further clarity on this increase, please do not hesitate to contact the CFO by e-mail: mrannzwa@agrement.co.za

Kind regards

Mr R Somanje
Chief Executive Officer Agrément South Africa
