1. BACKGROUND

The Agrément South Africa Act was accented to by the Honourable President of the Republic of South Africa as Act No 11 of 2015 from 1 April 2017. Agrément South Africa was established as a Schedule 3A entity on 1 April 2017. The entity operates under a delegation of authority from the Minister of Public Works.

The main objectives are:

- To provide assurance of fitness-for-purpose of non-standard construction-related products and systems to specifiers and users.
- To support and promote the process of integrated socio-economic development in the Republic as it relates to the construction industry.
- To support and promote the introduction and use of certified non-standardized construction-related products or systems in the local or international market.
- To support policymakers in minimizing the risk associated with the use of non-standard construction-related products or systems; and
- To be an impartial and internationally acknowledged South African centre for assessment and confirmation of fitness-for-purpose of non-standard construction-related products or systems.

2. INVITATIONS FOR PROPOSAL

Agrément certification establishes fitness-for-purpose of innovative and non-standard construction products and systems through conducting an independent technical assessment and issuing certificates when the assessment has been conducted successfully. Agrément South Africa extends a call for the submission of proposals from suitably qualified structural engineers to assist with structural integrity testing and assessment for a building systemsystem.

3. SPECIFICATION

The Hydroo Steel Garage Roll-Up Doors are to be assessed when used in all regions of South Africa for the purpose of providing controlled access to single and double garages in buildings.

Total Score	100
Minimum threshold	70

The following formula will be used to convert the points scored against the weight:

$$Ps = \left(\frac{So}{Ms} \right) \times \text{weighting percentage for the section under consideration}$$

Where:

Ps = Percentage scored for functionality by bid under consideration

So = Total score of bid under consideration

Ms = Maximum possible score

Service providers will be expected to achieve a minimum threshold score of 60% in order to proceed to Phase 2.

4.2.2 Phase 2: Calculations of points

Please note that for acquisitions below or equal to R50 Million, ASA evaluates these in terms of the 80/20 preference point system where:

80 points are allocated for the price, and 20 points will be awarded based on the specific goals.

Points for the price will be calculated for all shortlisted service providers by the following formula:

$$Ps = 80 \left(1 - \frac{Pt - P \min}{P \min} \right)$$

Where:

Ps = Points scored for the price of the quotation under consideration

Pt = Price of the quotation under consideration

Pmin = Price of lowest acceptable quotation

Preference points for the specific goals will be allocated as follows:

NO.	SPECIFIC GOALS ALLOCATED POINTS	PREFERENCE POINTS ALLOCATION	SUPPORTING EVIDENCE TO BE SUBMITTED
-----	------------------------------------	------------------------------------	--

1.	SMMEs	10 points	- A B-BBEE certificate /sworn affidavit as supporting evidence / CSD report
