The above-mentioned project was advertised on etender and Agreement South Africa website which resulted in an error for including two closing dates . This is the addendum to correct the mistake

Corrections are as follows :

- On item number 7 of the Terms of reference we mentioned that the closing date is 05 August 2022 which it is a mistake
- **The correct closing date is the 08th August 2022 midday 12:00**
