

ADDENDUM

Appointment of a service provider to provide SARS Tax Reconciliation submissions services to Agrément South Africa.

The above-mentioned project was advertised on etender and Agrément South Africa website which has resulted in an error that the closing date is 14 February 2023. This is the addendum to correct the mistake.

Corrections are as follows:

- On the first page of the Terms of reference we mentioned that the closing date is 14 February 2023 which is an error.
- **The correct closing date is 20 February 2023, Midday 12:00.**
